\* In the event of admission/enrollment classification through reserved spaces, the validation of the self-declaration of Black or Mixed Race will be performed by a Self-Declaration Validation Committee appointed by PROAFE, specifically established for this purpose, with the following criteria: those who self-declare as Mixed Race or Black must possess phenotypic characteristics that characterize them as belonging to the Black racial group. According to the Supreme Federal Court, the constitutionality of the heteroidentification of self-declared Black candidates was established in the rejection of Action for Noncompliance with Fundamental Precept No. 186, with the criterion being phenotype, not ancestry..

The commission also informs that STEP 2 will take place on August 28, 2025. The times and location will be published on the website according to the call (Edital 06/2025/PPGFMC).
